

Project Manager: CSU-Pueblo IT Projects

Scope: Serve as a PM for the CSU-Pueblo IT organization to manage, track, and make progress on their portfolio of IT projects.

Location: This remote work position will report to the Division of IT project management office in Fort Collins, Colorado. It will require occasional travel to the Pueblo campus and periodic on-site meeting in Fort Collins.

Terms: It is estimated that this will be a full-time, 40 hour per week temporary position for a minimum of 2 years.

Interested parties should send their CV and cover letter to David Hoffman, Director of Project Services, at dave.hoffman@colostate.edu by June 30, 2022

Timeline: ASAP & on-going for a minimum of 2 years.
